7.15. JUDGING PRINCIPLES

1. **INDEPENDENCE:** The Chief Steward will always be independent of the competition and its Entries. Stewarding is conducted under the auspices of an independent Head Judge/Chairperson who is not an Entrant.
2. **FAIRNESS:** All Entries are tasted blind from blue tasting cups marked with an Entry code that ensures the identity of every Entry is not known.

Judges, who may also be Entrants, are NEVER able to judge their own Entry, nor influence another judge who has been given the task of doing so. All judges and stewards must complete a signed Conflict of Interest and Full Disclosure Policy before they can be involved in the competition.
3. **CONFIDENTIALITY:** The ONLY individuals that know the identity of Entries (until the results are released) are the Chief Steward and stewarding team. All stewards must complete a signed Confidentiality Agreement before they can officiate in the competition.
4. **ACCOUNTABILITY:** Judges are briefed by the Head Judge before the commencement of judging and reminded of their responsibilities. The Head Judge will nominate a panel leader with international experience for each panel. Each panel will consist of at least three highly experienced judges. Any judge found not adhering to these requirements will be relieved of their judging duties immediately.
5. **TEAM WORK:** Initially the Entries are independently assessed by each judge. The judges then discuss the oil and their score. In consultation with the panel leader, an agreed final score and comment is reached. If agreement cannot be reached, the panel leader will seek the opinion of the Head Judge, who following tasting and consultation with all the judges will allocate a final score.
